The Class of 2017 acknowledges and thanks our wonderful Guidance Department - Mrs. Nolan, Mr. Christy, Mrs. Cormier, and Ms. McMahon - and Millie McGovern for their hard work and dedication which has helped us throughout our four years at Littleton High School.

Millie is a very special part of our school and community. We look forward to seeing that wonderful smile when we hand off our ticket to her at Friday night football games, and we feel much safer with her directing traffic in the morning and afternoon outside the high school - rain or shine (or goat). Millie helps our school and town run smoothly, and she is much loved by all in our community.

The guidance staff reached out and held our hands from the moment we stepped in as freshman, and they have supported us as we navigated these four years. They have shared our laughs and our smiles, our tears and our battles. Their guidance has helped us blossom into individuals ready to take our next steps with confidence and independence.

These five people have made our high school experience one to remember for a lifetime. We appreciate and respect all five of you more than words can express. Thank you for your time, dedication, and commitment to each one of us.
